- G. The Federation shall indemnify fully and otherwise hold harmless the District in the enforcement of this Article.

ARTICLE IV - EVALUATION

- 1. The purpose of the District's program of evaluation and assessment of certificated staff is to improve the competence of the staff and thereby improve the quality of education for children and youth. This philosophy assumes that every certificated employee can continue to grow in effectiveness and the evaluation will help to identify areas for continued growth and special emphasis.
 - A. The District will provide all sites with a uniform evaluation form.
 - B. Reinstatement to a school and/or the District's guest teacher list is at the discretion of the District.
 - C. A guest teacher may not be terminated (removed from the list) for arbitrary or capricious evaluation made by a parent, teacher, or site administrator.

ARTICLE IV – EVALUATION Cont.

- D. A guest teacher may be immediately suspended upon the filing of charges by a peace officer for the commission of immoral conduct and/or the commission of a felony or any crime involving moral turpitude. If the above charges are subsequently found to be unfounded, the guest teacher may be reinstated. In addition, any willful refusal to perform regular assignments without reasonable cause may also be cause for immediate suspension.
- E. A guest teacher may be terminated upon employment of the Evaluation Procedure for behaviors and actions, including but not limited to:
- Inappropriate contact with a student
 - Inappropriate language
 - Violating health and safety codes
 - Repeated attendance concerns and issues
 - Not complying with all professional expectations and lesson plans provided
 - Expressing personal or political views that are inappropriate to the assignment
 - A pattern of not leaving the classrooms clean

2. Evaluation Procedure

- A. An evaluation form (Evaluation of Guest Teacher Form) will be made available at each site to provide an opportunity for the guest teacher to rate the success of the day.
- B. The administration and/or the regular classroom teacher will evaluate the guest teacher when the guest teacher's performance is unsatisfactory, and may evaluate when satisfactory. The site administrator will attempt to contact the guest teacher regarding specific areas that need improvement within one week of the assignment. The site administrator will document efforts made to contact the guest teacher, and if unable to make contact within two weeks, may submit a written evaluation to the Assistant Superintendent of Human Resources for insertion into the employee's Personnel File. That evaluation will be sent to the guest teacher by the HR department certified, return receipt mail within 5 working days of receipt of the written site report, thus providing the guest teacher the opportunity to respond. Upon Human Resource's receipt of notice of delivery via postal receipt, the guest teacher will have 10 days from that receipt date to respond in writing. If returned to Human Resources within 10 days of receipt date, this response will be included with the administrator's evaluation when submitted and placed in the personnel file. The Assistant Superintendent of Human Resources may continue to investigate the reports submitted.
- C. If a subsequent evaluation, not including those behaviors or actions listed above as cause for termination, indicates that the performance of the guest teacher is unsatisfactory due to a second incident, the guest teacher will not be reassigned to the site/program to which the administrator is responsible. If the evaluations of two administrators at different sites indicate that the performance of the guest

teacher is unsatisfactory, the guest teacher's name will be removed from the guest teachers list.

ARTICLE V – AUTOMATED SYSTEM

1. The automated system will inform the guest teacher of the assignment, the location, and beginning and ending times.
2. If more than one guest teacher reports for the same assignment, the guest teacher with the job number will be retained and paid. The guest teacher without a job number may be retained by the site and used wherever needed in order to be compensated. Guest teachers are responsible for obtaining job number via automated system prior to reporting for assignment.
3. In the event the above information is not correct and the guest teacher arrives on Site at the time stated, compensation will begin effective and ending at the time given by the automated system.
4. Master schedules and class assignments shall be made available to guest teachers upon request.

ARTICLE VI – SICK LEAVE

2. satisfy a ninety (90) day employment period before taking any sick leave.

You have met both requirements and the District is granting you twenty-four (24) hours of sick leave. You can take sick leave for yourself or a family member, for preventive care or diagnosis, care or treatment of an existing health condition. Additionally, sick leave may be used for a victim of domestic violence, sexual assault or stalking. Family members include your parent, child, spouse, registered domestic partner, grandparent, grandchild or sibling.

Sick leave must be taken in minimum two (2) hours increments not to exceed eight (8) hours in one day. If the use of sick leave is foreseeable, you must provide reasonable advance notification. If the need is unforeseeable, you must provide notice of the need for the leave as soon as practical. Sick leave balances will be displayed on your paycheck/direct deposit stub. Any unused sick leave at the end of the year will not be rolled over to the following year. To use sick leave, an employee must be offered a sub job on the day the use of sick leave is requested. To report your absence and use sick leave:
