## Career Zone Assessment User Guide

Print the worksheet on the "Career Exploration" page before starting "The Zone"!

### **Assessment:**

1. Start with "Assess Yourself".
2. Scroll down to "Interest Profile".
3. Scroll down to "Start a New Interest Profile".
4. Answer ALL questions (180) by clicking on "like", "unsure", "dislike".
5. At the bottom of each page click "next" until the profile is completed.

### **Summary**

1. Print "Self Assessment Summary".
2. Click "next" to view careers.

### **Careers – "Job Match Responses"**

1. Scroll through the variety of careers; select a career and print out the profile.
2. Use your computer "back" arrow to return to "Job Match Responses". Select another career and print out the profile.

### **Careers Zone worksheet:**

The worksheet is on the "Career Home" page.

1. Write your career selections on the Career Zone worksheet and complete the worksheet using the profile printouts.
