School Description

A Message from the Principal: Delta Charter High School, located on the Cabrillo College campus, serves students who have not experienced success in other high schools. Delta equips students with the skills necessary to graduate from high school, go on to higher education or careers, and positively contribute to society. The education, business and mental health communities partner to support the school. Over 95% of Delta graduates continue their education at Cabrillo College. Delta is fully accredited by the Western Association of Schools and Colleges.

The average class size of 15, a full-time academic counselor, who is also a Cabrillo College faculty member, and a ratio of one advisor to 13 students, all support the academic and personal success of Delta students. Students can enroll in Direct-Instruction, Guided Studies, Independent Studies or Real World Linked Learning programs. They have the opportunity to take Cabrillo College classes in addition to enrolling in Regional Occupation Programs. Students are assisted in exploring "Life's Options" through career panels, job shadows, internships, and community offerings and events. Parent participation is an important aspect of Delta with parents meeting with their student and advisor five times each year in addition to attending monthly parent education/participation meetings.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Delta provides access to standards based curriculum for all students. Teachers work in partnership with local and national organizations to ensure that the curriculum reflects shifts in standards. Those partnerships include the Silicon Valley Math Initiative and the University of Florida.

School Facility Conditions and Planned Improvements (Most Recent Year)

Delta owns 3 portable rooms in Cabrillo College Building 1190. Cabrillo College allows Delta to use an additional 3 portable classrooms. Delta and Cabrillo work cooperatively to maintain the exterior and walkways. Delta has maintained and repaired the exterior of the portable classrooms. Doors and window blinds have been replaced. Restrooms are in a facility shared with Cabrillo and are in good repair and well-maintained.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	14-15	15-16	14-15	15-16	14-15	15-16
Science	51	34	70	64	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

2016-17 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	15-16	16-17	15-16	16-17	15-16	16-17
ELA	42	41	60	59	48	48
Math	13	4	45	42	36	37

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**2015-16 CAASPP Results by Student Group
Science (grades 5, 8, and 10)**

Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced
All Students	38	32	84.2	34.4
Male	24	20	83.3	25.0
Female	14	12	85.7	50.0
White	27	23	85.2	34.8
Socioeconomically Disadvantaged	16	14	87.5	28.6
Students with Disabilities	11	9	81.8	22.2

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2016-17 CAASPP Assessment Results - English Language Arts (ELA)
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	58	51	87.93	41.18
Male	34	31	91.18	29.03
Female	24	20	83.33	60

Socioeconomically Disadvantaged	27	25	92.59	24
English Learners	--	--	--	--
Students with Disabilities	12	12	100	25
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Parents have multiple opportunities to learn about Delta High School and to participate in the continuous improvement of the school and its service to students. Parents attend Student Evaluation Conferences five times throughout the year. Parent Open House Nights are held three times each year. The Parent Advisory Committee/Parent Club meets monthly. The Delta Parent Club enables parents to participate in helping our teachers, providing feedback for improvement, supporting field trips, beautifying the school, planning fundraising events and hosting graduation. During the 2016-17 school year, parents contributed to, reviewed, and approved the Local Accountability Plan. Parents also planned and attended the annual fundraiser held at the Sesnon House.

Parents are active volunteers and donors. They participate in staff appreciation, school beautification, donating snacks, and monetary donations.

To become more involved, please call or visit the school office - (831) 477-5213

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Delta Charter High School complies with all provisions and procedures of Education Code 44237 and 45125.1, including the requirement that: as a condition of employment each new employee, or contractor, must be fingerprinted for submission to the California Department of Justice for the purpose of obtaining a criminal record summary. To be admitted to the school, children must be fully immunized in accordance with law. Children shall be excluded from school or exempted from immunization only as allowed by law. Parents are notified if these are not up to date. Staff shall follow requirements for periodic TB tests. Staff and students participate in safety instruction and drills on a regular basis. A School Safety Plan, in accordance with Education Code 32280-32289, is maintained and reviewed annually. Under the direction of the Cabrillo School Safety Plan Committee, administered by the Principal/CEO, the plan outlines emergency incident assessment and coordinated response. It also calls for annual training of certified and classified employees in practical safety skills and regular emergency drills. The full binder of the plan is available in the school office upon request and on the school website at deltaschool.org

Professional Development provided for Teachers

Delta has set a goal of increasing access to college courses for all students. In 2015-16, staff reviewed data that shows the number of students who assess into college level math and English. Professional development focused on increasing teacher knowledge of strategies and Common Core content. Teachers participated in professional development in their content areas for 3-5 days. A professional development plan was created in alignment with Delta's Action Plan based upon WASC (Western Association of Schools and Colleges) recommendations. Professional development is a component of two of the four monthly staff meetings. Teachers attended workshops and then used the Professional Learning Communities model to support each other. Delta has transitioned to the International Math sequence and has added Math 3. Delta is now a member of the Silicon Valley Math Initiative, which has been providing additional professional development for our teachers. Delta participates in Santa Cruz County College Commitment, S4C, and supports the Bill and Melinda Gates Common Core Implementation Grant.

Types of Services Funded

Delta students are served by a full-time academic counselor and a Directed Studies instructional aide. All students receive services in Directed Studies, which range from remedial support to assistance with Cabrillo College classes. Our parent and community donations average \$35,000, which fund smaller class sizes, bus passes, and field trips. All students with economic need receive a monthly bus pass and financial support with Cabrillo College fees. Delta supports students with concurrent enrollment at Cabrillo College by paying for student fees.

Career Technical Education Programs

Career and Technical Education is integrated into Delta School. Through our advisory program and our Career and Guidance graduation requirement, students complete interest/skills/career inventories, participate in career panels, job shadows, and internships. Students are assisted in enrollment in Regional Occupation Programs and Cabrillo College courses.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
