School Plan for Student Achievement (SPSA) Template

The School Plan for Student Achievement (SPSA) is meant to consolidate all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), pursuant to the California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA).

The purpose of the SPSA is to increase the overall effectiveness of the school program by crafting a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement.

The School Site Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications in the plan to reflect changing needs and priorities, as applicable, pursuant to EC 52853(b) and 52855.

California’s ESSA State Plan significantly shifts the state’s approach to the utilization of federal resources in support of underserved student groups. The SPSA provides schools with the opportunity to document their approach to maximizing the impact of federal investments in support of underserved students.

The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state’s Local Control Funding Formula (LCFF).

LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement.

School Vision and Mission

DeLaveaga Elementary School's Vision and Mission Statements

DeLaveaga Elementary School is located on the east side of Santa Cruz near DeLaveaga Park. The highly skilled and collaborative teaching staff have many years of professional experience. We emphasize a strong, enriched educational program, supplemented by the arts and sciences, based on California Content Standards, which enables all children to reach their academic, social, and emotional potential. DeLaveaga hosts the district's K-5 Spanish Two Way Immersion program, a program strand within our school. The goal of the program is for all students to be bilingual/bicultural in English and Spanish. We are fortunate to have a high rate of active parent participation to support the classrooms and programs at our school.

VISION STATEMENT

The DeLaveaga School Community considers every child unique and deserving of the highest quality education available so that they may reach their own full potential, both academically and socially.

MISSION STATEMENT

At DeLaveaga, we believe every person has value and the potential to achieve their goals. We believe families are equal partners who support their children, as well as the needs of the whole school community. We collaborate as a team so that all children can learn. School should be safe and fun; a place where each child wants to be each day. We celebrate our diverse world in which children's languages and cultures, talents and dreams, are fostered and valued. We believe the transformative power of excellent teaching makes our beliefs become reality and supports high levels of achievement for all students.

In the academic year 2022-23, approximately 490 students registered in the Fall for its kindergarten through fifth grades.

Educational Partner Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

Over the course of the 2022-2023 academic year, through the involvement of English Learner Advisory Committee (ELAC), School Site Council (SSC), Santa Cruz Instructional Leadership (SCIL), and Staff Meetings, we consulted with school staff and parents in the review and revision of our school plan.

Grade3	73	82	82
Grade 4	69	76	79
Grade 5	69	67	72
Total Enrollment	470	475	488

Conclusions based on this data:

1. While DeLaveaga has a majority of "White" students, we also have approximately 39% Hispanic and Latinx students. The balance of our enrollment consists of African American, Asian, Filipino and Pacific Islander students. These numbers have remained consistent over the past 3 years.
2. The Santa Cruz City Schools District has been in a period of declining enrollment, and this has also been the trend at DeLaveaga. Our current enrollment in 2020-21 is 475 students; a drop of 55 students from last year to this year.

Fluent English Proficient (FEP)	29	36	35	6.20%	7.6%	7.2%
Reclassified Fluent English Proficient (RFEP)	10			12.0%		

Conclusions based on this data:

1. Even with the trend of declining enrollment in the District, our enrollment of English Learner students has been consistent the last two years.
2. Since 2020, we have seen an increase with our English Learner students to about 19% in 2022-23.

2. At every grade level, students perform better at Oral Language than they do with Written Language on the ELPAC.
3. Students in 4th grade performed significantly better than students in 3rd grade in Written Language.

School and Student Performance Data

Student Population

For the past two years, many state and federal accountability requirements were waived or adjusted due to the impact of the COVID-19 pandemic on LEAs, schools, and students. Beginning with the 2021-22 school year, the requirements to hold schools and districts accountable for student outcomes has returned with the release of the 2022 California School Dashboard (Dashboard). The Every Student Succeeds Act is requiring all states to determine schools eligible for support. Similarly, under state law, Assembly Bill (AB) 130, which was signed into law in 2021, mandates the return of the Dashboard using only current year performance data to determine LEAs for support. Therefore, to meet this state requirement, only the 2021-22 school year data will be reported on the 2022 Dashboard for state indicators. (Data for Change [or the difference from prior year] and performance colors will not be reported.)

This section provides information about the school's student population.

2021-22 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
475	32.0	19.2	Students whose well being is the responsibility of a court.
Total Number of Students enrolled in DeLaveaga Elementary.	Students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	Students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	

2021-22 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	91	19.2
Foster Youth

Asian	17	3.6
Filipino		
Hispanic	195	41.1
Two or More Races	14	2.9
Pacific Islander	1	0.2
White	238	50.1

Conclusions based on this data:

1. DeLaveaga's Socioeconomically Disadvantaged population decreased from 40% to 32% in one year.
2. DeLaveaga's Students with Disabilities decreased from 12.9% to 10.7% in one year.
3. Our largest race/ethnic group is white students of 50% followed by our Hispanic population of 41%.

School and Student Performance Data

Overall Performance

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

2022 Fall Dashboard Overall Performance for All Students

Conclusions based on this data:

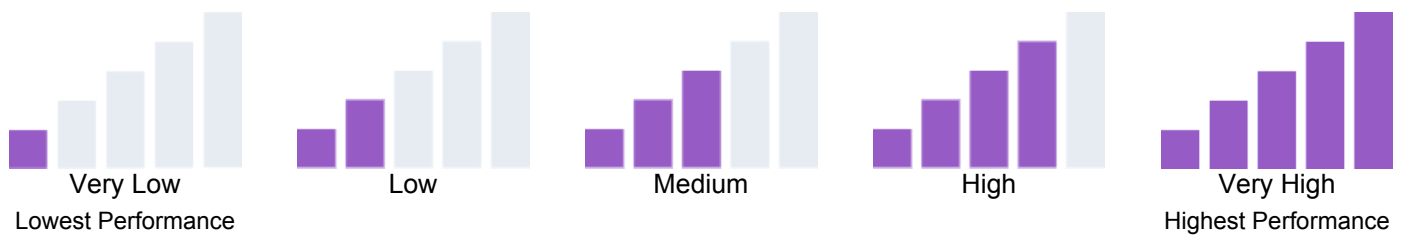

1. We have done well to keep our suspension rate low. We are at the highest performing level on this indicator.
2. Our English Learner progress has improved year over year to Medium.
3. English Language Arts proficiency is relatively stronger than Mathematics at DeLaveaga.

Current English Learner	Reclassified English Learners	English Only
110.0 points below standard 42 Students	4.6 points below standard 12 Students	29.9 points above standard 153 Students

Conclusions based on this data:

1. On the English Language Arts CAASPP state assessment, our English Learners' overall average performance level is 86.6 points below the standard.
2. Reclassified students perform at a much higher level than current English Learners.
3. English Only students perform at a higher level than Reclassified English Learners.

Goals, Strategies, & Proposed Expenditures

Goal 1

Subject

English Language Arts

Goal Statement

Our English Language Arts overall scale score will increase by at least three points so that our overall average scale score for all students will be at least 3.7 points above the standard on the 2024 English Language Arts CAASPP.

LCAP Goal

Goal #1: All SCCS students will be prepared to successfully access post-secondary college and career opportunities.
 Goal #2: SCCS will create positive, engaging school environments that promote the development of cognitive skills and the social emotional well-being of all students.
 Goal #3: We will eliminate the achievement gaps that currently exist between demographic groups within the SCCS student community.
 Goal #4: We will develop a highly collaborative, professional culture focused on supporting effective teaching.
 Goal #6: SCCS will maintain strong communication and partnerships with its diverse community.

Basis for this Goal

When analyzing our 2021-2022 CA Dashboard data, we see that "All Students" are in the "yellow," meaning that overall, our students have nearly met their grade level achievement. Currently, our dashboard shows that "All Students" are +0.7 points above the standard. In addition, we see that many of our groups are not meeting the standard (English Language Learners, Students with Disabilities, Socioeconomically Disadvantaged, and Hispanic/Latinx). For specific student group data, see the metrics and baseline below.

Expected Annual Measurable Outcomes

Metric/Indicator	Baseline	Expected Outcome
English Language Arts CAASPP Data: All Students	0.7 points above standard in 2022	All Students will improve a minimum of 3 points on the 2024 ELA CAASPP.
English Language Arts CAASPP Data: English Learners	86.6 points below standard in 2022	English Learners will improve a minimum of 3 points on the 2024 ELA CAASPP.
English Language Arts CAASPP Data: Students with Disabilities	72.3 points below standard in 2022	Students with Disabilities will improve a minimum of 3 points on the 2024 ELA CAASPP.
English Language Arts CAASPP Data: Hispanic	55.1 points below standard in 2022	Hispanic students will improve a minimum of 3 points on the 2024 ELA CAASPP.
English Language Arts CAASPP Data: Socioeconomically Disadvantaged	55.2 points below standard in 2022	Socioeconomically Disadvantaged students will improve a minimum of 3 points on the 2024 ELA CAASPP.
iReady Reading for All Students in Grades 1-5	82% of students met their Annual Typical Growth Target by T2 in 2023	100% of our students will meet their Annual Typical Growth Targets by May 2024
ESGI Phonics Assessment (TK and Kindergarten)	Will be determining baseline following T1 assessments	All students will average at least 90% mastery on all subtests.

Planned Strategies/Activities

Strategy/Activity 1

We will continue with a focus on developing best practices for teaching literacy at all grade levels through utilizing the Benchmark Workshop English Language Arts curriculum and supplemental instructional programs that have been proven to be effective. Staff will focus on the elements of early literacy such as orthographic mapping and phonemic awareness. Early literacy reading skills will be explicitly taught and practiced.

Goals, Strategies, & Proposed Expenditures

Goal 2

Subject

Mathematics

Goal Statement

Our Mathematics overall scale score will increase by at least three points so that our overall average scale score for all students will be at least 22.7 points distance from the standard on the 2024 Math CAASPP.

LCAP Goal

Goal #1: All SCCS students will be prepared to successfully access post-secondary college and career opportunities.
 Goal #2: SCCS will create positive, engaging school environments that promote the development of cognitive skills and the social emotional well-being of all students.
 Goal #3: We will eliminate the achievement gaps that currently exist between demographic groups within the SCCS student community.
 Goal #4: We will develop a highly collaborative, professional culture focused on supporting effective teaching.
 Goal #6: SCCS will maintain strong communication and partnerships with its diverse community.

Basis for this Goal

When analyzing our 2022 CA Dashboard data, we see that "All Students" are in the "orange," meaning that overall, our students have not met their level achievement and are 25.7 points distance from the standard. In addition, when we analyze our different student groups, we see that there is significant need to improve our students' level of proficiency in mathematics, especially among our English Learners, Students with Disabilities, Hispanic/Latinx students, and Socioeconomically Disadvantaged Students. For specific student group data, see the metrics and baseline below.

Expected Annual Measurable Outcomes

Metric/Indicator	Baseline	Expected Outcome

Goals, Strategies, & Proposed Expenditures

Goal 3

Subject

English Learner Progress

Goal Statement

Our English Language Arts overall scale score will increase by at least three points so that our overall average scale score for all students will be at least 83.6 points below the standard on the 2024 English Language Arts CAASPP.

LCAP Goal

Goal #1: All SCCS students will be prepared to successfully access post-secondary college and career opportunities.
Goal #2: SCCS will create positive, engaging school environments that promote the development of cognitive skills and the social emotional well-being of all students.
Goal #3: We will eliminate the achievement gaps that currently exist between demographic groups within the SCCS student community.
Goal #4: We will develop a highly collaborative, professional culture focused on supporting effective teaching.
Goal #6: SCCS will maintain strong communication and partnerships with its diverse community.

Basis for this Goal

About 69% of our students are in the Moderately or Well-Developed range in the Writing Domain. In the Reading Domain, 67% of students scored in the Moderately or Well-Developed range of the Domain. In Overall Language, about 54% of our English Learners scored in the 3 or 4 Performance Levels, and about 46% scored at Levels 1 and 2.

In addition to the ELPAC, our district monitors our English Learner progress by using the CA Dashboard Academic Performance, Academic Engagement, School Conditions and Climate. In analyzing all of these data points, we see that supporting our English Learners in all areas needs to be a focus for our district. See below for specific English Learner metrics and data.

Expected Annual Measurable Outcomes

Metric/Indicator	Baseline	Expected Outcome
English Language Arts CAASPP Data: English Learners	86.6 points below standard in 2022 English Language Arts CAASPP.	English Learners will improve a minimum of 3 points on the 2023 ELA CAASPP.
Mathematics CAASPP Data: English Learners	76.1 points below standard in 2022 Math CAASPP..	English Learners will improve a minimum of 3 points on the 2023 Math CAASPP.
ELPAC Data	50.7% of our students increased at least one ELPI level on the 2022 ELPAC.	55% of our students will increase by at least one ELPI level on the 2024 ELPAC assessment.
EL Student Suspensions	0%	Maintain 0%

Goals, Strategies, & Proposed Expenditures

Goal 4

Subject

School Connectedness

Goal Statement

Our schoolwide Chronic Absenteeism rate will decrease by 0.5% to an overall rate of 18.8%.

LCAP Goal

Goal #1: All SCCS students will be prepared to successfully access post-secondary college and career opportunities.
 Goal #2: SCCS will create positive, engaging school environments that promote the development of cognitive skills and the social emotional well-being of all students.
 Goal #6: SCCS will maintain strong communication and partnerships with its diverse community.

Basis for this Goal

In analyzing the CA Dashboard chronic absenteeism data and suspension data, the California Healthy Kid Survey data, and the Socio-Emotional Health Survey, we see that a focus on School Connectedness is an area of need. When determining the level of school connectedness in our district, we are specifically looking at data related to students reporting they have supportive, caring relationships with adults, the curriculum, school activities are relevant and engaging, and there is a sense of student leadership and ownership on campus. Students are more likely to attend school when they feel connected to a nurturing and caring environment.

Expected Annual Measurable Outcomes

Metric/Indicator	Baseline	Expected Outcome
Chronic Absenteeism: Percent of "All Students" absent more than 10% of the school year	18.8% chronically absent	We will decrease the percentage of chronically absent "All Students" by 0.5% or more.
Chronic Absenteeism: Percent of Students with Disabilities absent more than 10% of the school year	26.5% chronically absent	We will decrease the percentage of chronically absent Students with Disabilities by 0.5% or more.
Chronic Absenteeism: Percent of Socioeconomically Disadvantaged students absent more than 10% of the school year	33.1% chronically absent	We will decrease the percentage of chronically absent Socioeconomically Disadvantaged students by 0.5% or more.
Chronic Absenteeism: Percent of English Learners absent more than 10% of the school year	30% chronically absent	We will decrease the percentage of chronically absent English Learners by 0.5% or more.
Chronic Absenteeism: Percent of Hispanic students absent more than 10% of the school year	28.2% chronically absent	We will decrease the percentage of chronically absent Hispanic students by 0.5% or more.
Suspension: Percent of Students with Disabilities suspended once during the school year	0% suspended	We will not increase the percentage of suspended Students with Disabilities by more than 1%.

Metric/Indicator	Baseline	Expected Outcome
Infinite Campus Federal Chronic Absenteeism Report: Overall Absence Rate for All Students	6.7% Federal Absence Rate in May 2023	We will decrease the overall absence rate for all students by 0.5% or more.

Planned Strategies/Activities

Strategy/Activity 1

Positive Behavioral Instruction and Support (PBIS) principles and school wide expectations will be implemented school-wide. Support staff will communicate school wide expectations at grade level assemblies twice a year at strategic points. PBIS team will analyze behavior data from office referrals to monitor locations and types of behavior that need attention. We will promote Dragon Way expectations, as well as a system for student (and staff) recognition (Dragon Tickets and Drawings). Teachers will systematically implement school-wide expectations - The Dragon Way.

Strategy/Activity 2

We will improve school-wide attendance through identification of chronically absent and truant students, communication with staff and parents, and intervention through conferences, Tier/Student Study Team meetings and School Attendance Review Board referrals, as well as tutoring and/or small cohort support. We will develop a site-based system for address attendance issue. Some of which will include Attendance/Truancy letter revision to better communicate the importance of attendance and the consequences of missing school. In addition, teachers will receive information on Chronic Absenteeism, along with Truancy, to better address these issue within their classrooms. We will better incorporate attendance into our Tier/Student Study Team and School Leadership Team meetings to more promptly address attendance issues. We will involve the Nurse, Health Clerk, and School Community Coordinator in the process, so that other issues that may be affecting attendance can be more promptly addressed. We will look into the addition of a Student Attendance Award as a way to motivate students and parents to attend school daily.

iReady Reading for All Students in Grades 1-5	100% of students will meet their Annual Typical Growth Targets by May 2023	100% of students met their Annual Typical Growth Targets by May 2023. All students averaged Annual Typical Growth of 155%.
ESGI Phonics Assessment (TK and Kindergarten)	All students will average at least 90% mastery on all literacy subtests.	All students averaged 96% mastery of all literacy subtests by May 2023.

Strategies/Activities for Goal 1

Planned Actions/Services	Actual Actions/Services
We will continue with a focus on developing best practices for teaching literacy at all grade levels through utilizing the Benchmark Workshop English Language Arts curriculum and supplemental instructional programs that have been proven to be effective.	Teachers implemented the Benchmark Workshop English Language Arts curriculum. They also used supplemental materials which they selected based on their specific programmatic needs with TWI and the Traditional programs.
Standards-based assessments will be used to guide and differentiate Language Arts instruction. We will disaggregate data by program (Traditional and TWI).	Reading assessments were given with Fountas & Pinnell as well as DRA. We also incorporated iReady Reading Diagnostics and tracked growth over each of the common assessment windows.
Professional Development for teachers to learn new programs, instructional strategies (Literacy Strategies), and to collaborate with colleagues. This may be accomplished through participation in	Professional development was provided in a variety of venues. Full day professional development occurred over a period of three days. Ten monthly early release minimum days were

conferences, workshops, peer observations, and grade level articulation.

Provide support in Spanish for our Dos Alas Program for students to develop their Spanish literacy skills.

Literacy Intervention, both during and after school, will address needs of struggling learners by providing phonics based instruction through SIPPS, Lexia, iReady, and writing support. Fund one Rtl Coordinator/ teacher; fund learning assistant to provide small group support for reading and assessment.

Student Learning Teams and Language Review Teams (3 times a year) Grade level teams meet with Rtl Coordinator to review student data (iReady, Lexia, F&P, and other assessment tools) following trimester assessments.

Purchase additional supplies, materials and equipment to support the academic literacy development of all students.

Implement the adopted ELA/ELD Curricular Program School-wide and with fidelity and provide teachers time to learn the program and plan instruction. All teachers will implement, with fidelity, the new ELA/ELD curriculum during a consistent and designed time of day.

The teaching of Science that is consistent with the Next Generation Science Standards through the implementation of STEM lesson design, FOSS Kits, and exploratory learning throughout the year. Teachers will work together during grade level and Professional Learning Communities (PLC) time to plan activities that integrate Science with the instruction of Language Arts. Opportunities to extend learning will be offered after school.

used for professional development over the course of the year. We also utilized staff meetings as needed as well as release time for teachers to meet together in PLCs.

A limited number of at-risk students participated in after school reading groups with their classroom teacher or a teacher at their grade level.

iReady Diagnostic formative assessment data was shared and analyzed at professional development training with build instructional programs and planning for small group instruction.

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

Goal #1 was implemented in the following way:

RTI Coordinators and Academic Intervention Paraeducators pulled small reading groups throughout the 2022-23 school year.

A team of teachers attended a conference with the California Association for Bilingual Education.

Teachers met in PLCs throughout the year to review student progress and plan academic interventions with RTI coordinators.

Instructional planning was data-driven with an emphasis on reviewing early literacy assessment data as well as iReady and one-on-one individual reading assessments (Fountas & Pinnell/DRA).

Intervention groups were created collaboratively using common assessment which was gathered multiple times throughout the school year.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

With our iReady Reading assessment, the median percent progress towards Typical Growth for DeLaveaga was 156%. Typical Growth is the average annual growth for a student at their grade and baseline placement level.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

Paraeducator/staff was not hired to the extent planned due to staffing shortages. UCSC students were hired but needed to work in a limited capacity due to scheduling conflicts.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

We will measure progress based on overall improvement using the Distance From Standard measurement for CAASPP English Language Arts which takes into account measurable academic growth through scale score analysis. Therefore, students can still be seen to make progress within a proficiency band as long as their scale score increases.

Strategies/Activities for Goal 2

Planned Actions/Services	Actual Actions/Services
Teachers and paraeducators will implement and support math instruction using the adopted math curriculum (Eureka) with fidelity. There will be a designated time during the day for math instruction for each grade level.	Teachers implemented the Eureka Math curriculum. They used supplemental instructional tools like iReady MyPath to more closely monitor and support instructional programming for specific student needs.
Professional Development for Staff and Parents	Teachers implemented math running records for formative assessments. This gave them insights to gaps in learning which could be addressed with RTI support.
Math intervention both during the day and after school will be provided to those students who are in need of additional support. An Additional RtI Coordinator will assist in identifying students in	Paraeducators for Academic Intervention worked with students in small groups to facilitate differentiated learning based on ability and need.

need of intervention using iReady assessment data.

Materials and supplies will be purchased for students and staff as supplemental curriculum and manipulatives to strengthen learning in math.

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

Goal #2 was implemented in the following way:

Professional development was provided to help teachers make sense of diagnostic math assessment data from iReady. PLC meetings were geared towards supporting teachers with pacing and planning of math instruction to ensure grade-level standards were taught. RTI Coordinator and paraeducators taught interventions in small math groups throughout the 22-23 school year. RTI Coordinators performed instructional walks at other schools to glean best practices which could be transferred and create benefit for DeLaveaga.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

With our iReady Math assessment, the median percent progress towards Typical Growth for this school was 108%. Typical Growth is the average annual growth for a student at their grade and baseline placement level.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

There are no major material differences between proposed and actual expenditures.

Actions/Services**

Students at the higher levels of English Proficiency will receive ELD instruction based on an Individual Service Plan (ISP) that identifies standards to be learned.

RtI Coordinator and Paraeducators will support English Learners' progress towards proficiency in English Language Arts.

Teachers include research based engagement strategies, such as Integrated English Language Development, in their instruction to support English Language Learning and all student learning.

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

Goal #3 was implemented in the following way:

Professional development was provided to help teachers develop their Designated English Language Development programs at each grade level.

Teachers intentionally focused on developing writing skills after analyzing ELPAC scores for EL students.

RTI Coordinator and paraeducators taught interventions after school throughout the 2022-23 school year.

An ELD instructional consultant from the secondary level worked with our teacher teams to improve ELD instruction.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

With the iReady Reading assessment given to EL students three times a year, the median percent progress towards Typical Growth for this group was 114%. Typical Growth is the average annual growth for a student at their grade and baseline placement level.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

There are no major material differences between proposed and actual expenditures.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

We will measure progress based on overall improvement using the Distance From Standard measurement for CAASPP English Language Arts which takes into account measurable academic growth through scale score analysis. Therefore, students can still be seen to make progress within a proficiency band as long as their scale score increases.

Goal 4

All students will feel connected to their school.

Annual Measurable Outcomes

Metric/Indicator	Expected Outcomes	Actual Outcomes
Chronic Absenteeism: Percent of "All Students" absent more than 10% of the school year	We will decrease the percentage of chronically absent "All Students" by .5% or more.	In 2021-22, 19.3% of our 486 students were chronically absent. After 176 school days in the 2022-23 school year, 9.8% of all students fit the definition of chronically absent.
Chronic Absenteeism: Percent of Students with Disabilities absent more than 10% of the school year	We will decrease the percentage of chronically absent Students with Disabilities by .5% or more.	In 2021-22, 26.5% of our Students with Disabilities were chronically absent. Data not yet available for 22-23.
Chronic Absenteeism: Percent of Socioeconomically Disadvantaged students absent more than 10% of the school year	We will decrease the percentage of chronically absent Socioeconomically Disadvantaged students by .5% or more.	In 2021-22, 33.1% of our Socioeconomically Disadvantaged students were chronically absent. Data not yet available for 22-23.
Chronic Absenteeism: Percent of English Learners absent more than 10% of the school year	We will decrease the percentage of chronically absent English Learners by .5% or more.	In 2021-22, 30% of our English Learners were chronically absent. Data not yet available for 22-23.
Chronic Absenteeism: Percent of Hispanic students absent more than 10% of the school year	We will decrease the percentage of chronically absent Hispanic students by .5% or more.	In 2021-22, 28.2% of our Hispanic students were chronically absent. Data not yet available for 22-23.
Suspension: Percent of Students with Disabilities suspended once during the school year	We will decrease the percentage of suspended Students with Disabilities to less than 1%.	In 2021-22, 0% of our Students with Disabilities was suspended. Data not yet available for 22-23.
Average rate of absence for all students.	Our average rate of absence for all students will decrease by 0.5%.	After 176 school days in the 2022-23 school year, our average absence rate for every student was 6.7%.

Strategies/Activities for Goal 4

Planned Actions/Services	Actual Actions/Services
Positive Behavioral Instruction and Support (PBIS) principles and school wide expectations will be implemented school-wide. Support staff will communicate school wide expectations at grade level assemblies twice a year at strategic points. PBIS team will analyze behavior data from office referrals to monitor locations and types of behavior that need attention. We will promote Dragon Way expectations, as well as a system for student (and staff) recognition (Dragon Tickets and Drawings).	Dragon Way principles of Respect, Responsibility, and Safety were introduced to students at the beginning of the year through assemblies and were reinforced throughout the school year. Students were recognized for exemplary effort in these areas by their teachers and the principal.

**Planned
Actions/Services**

Teachers will systematically implement school-wide expectations - The Dragon Way.

We will improve school-wide attendance through identification of chronically absent and truant students, communication with staff and parents, and intervention through conferences, Tier/Student Study Team meetings and School Attendance Review Board referrals, as well as tutoring and/or small cohort support. We will develop a site-based system for address attendance issue. Some of which will include Attendance/Truancy letter revision to better communicate the importance of attendance and the consequences of missing school. In addition, teachers will receive information on Chronic Absenteeism, along with Truancy, to better address these issue within their classrooms. We will better incorporate attendance into our Tier/Student Study Team and School Leadership Team meetings to more promptly address attendance issues. We will involve the Nurse, Health Clerk, and School Community Coordinator in the process, so that other issues that may be affecting attendance can be more promptly addressed. We will look into the addition of a Student Attendance Award as a way to motivate students and parents to attend school daily.

Communicate with staff, students, and in particular, parents about our School-wide Behavior System (The Dragon Way), along with the curriculum Second Step and Soul Shoppe. We will communicate through newsletters, parent meetings, Back To School Night, our school website, and flyers information about our Dragon Way Program, including Walk away, Ignore, Talk it out, and Seek help, Soul Shoppe, and instruction in the areas of focus, Optimism and Growth Mindset. Cost of promotional materials.

Celebrations for Positive Student Behavior. We will reinforce positive student behavior through:

- * Spirit Days
- * Dragon Tickets and Dragon Ticket Winners
- * Classroom Awards
- * Dragon Way Awards Assemblies
- * Dragon Way Celebration Assemblies
- * Student Leadership
- * After School Field Trips
- * After School Extended Learning Experiences

Improve student connectedness at school by providing learning opportunities using Playworks Games and strategies for all staff to facilitate positive student interactions through play.

**Actual
Actions/Services**

A social worker reviewed cases with our Participation and Attendance Review Team. We setup conferences with families to support them with school attendance for their student.

Dragon Tickets were used to positively recognize students and there was a system in place for public recognition in their classrooms as well as weekly announcements over the intercom.

PBIS Techs were assigned to students who needed more intensive support, establishing a system to reward good behavior while also providing breaks as needed. These support personnel grew relationships with students to help guide them with school expectations with a focus on safety.

**Planned
Actions/Services**

**Actual
Actions/Services**

Student Referral System to better respond to student needs (Tiers staff-support meetings). This team will meet bi-monthly to identify students at risk based on attendance and engagement measures.

Provide parents training in technology (Seesaw, Google Classroom, Email, and Parent Portal with Infinite Campus to better support their children both in Independent Studies (quarantine) and in-person learning.

We will increase parent participation in school and through organized groups (Parent-Teacher Conference, English Learner Advisory Committee, School Site Counsel, etc.). We will explore different ways of reaching out to encourage volunteerism, meeting participation, and parent education opportunities.

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

Goal #3 was implemented in the following way:

A school-wide effort to reinforce the Dragon Way through assemblies, training, and a school chant.

The "mindful minute" was announced with a soft chime which helped every student have the opportunity to practice deep breathing and relaxation for at least one minute during the day.

Second Step Digital was taught in classrooms to reinforce Social Emotional Learning.

A two-day professional development was implemented after the end of the school year to reflect on practices implemented and create new ones for the coming year.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

After 176 school days in the 2022-23 school year, 9.8% of all students fit the definition of chronically absent. This was an improvement over our pre-pandemic rate of 12.5% in 2019.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

There are no major material differences between proposed and actual expenditures.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

We will continue to use the overall Federal Chronic Absenteeism rate to review our progress. We will also use the Absence Rate report generated by our student information system to monitor and review progress toward school connectedness and engagement for all students.

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members

Name of Members	Role
Thien Hua	Principal
Elizabeth Becerra	Other School Staff
Amanda Conger	Classroom Teacher
Shanna Kiesz	Classroom Teacher
Jennifer Villareal	Classroom Teacher
Jessy Beckett Parr	Parent or Community Member
Maura Dell	Parent or Community Member
Emilyn Green	Parent or Community Member
Tyler Newell	Parent or Community Member
Juliana Reyes	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

English Learner Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on May 18, 2023.

Attested:

Principal, Thien Hua on May 18, 2023

SSC Chairperson, Jessy Beckett Parr on May 18, 2023
