In addition to our medical centers in San Jose and Santa Clara, we're joining with **Watsonville Community Hospital** to offer you even more access to emergency services,[†] labor and delivery, and other hospital services recommended by your doctor.

*Referral required.

[†]If you reasonably believe you have an emergency medical condition, call **911** or go to the nearest Emergency Department. An emergency medical condition is a medical or psychiatric condition that requires immediate medical attention to prevent serious jeopardy to your health. For the complete definition of an emergency medical condition, please refer to your *Evidence of Coverage*.
